* Source for "above national averages" provided by NACE.
** Career readiness is the attainment and demonstration of requisite competencies that broadly prepare college graduates for a successful transition into the workplace.
*** Number of graduates who have landed in any of the employment categories, plus Volunteer Service plus Active Military plus Continuing Education, divided by the number of students for whom an outcome is known.
**** Percentage of the graduating class for which an outcomes destination is known. It includes the sum of all the employment categories, plus Volunteer Service plus Active Military plus Continuing Education plus the number of students Still Seeking an outcome or Not Seeking an outcome. It excludes those students for whom no information is available.
